But the sight was dreadful enough and the parents were unnerved. The memory of her daughter Bertha as a child in arms as a little school girl and hen as a woman, suffering with a husband whose affections, according to statements of those who knew him, were never centered in his wife-all these memories crowded themselves upon the unfortunate mother who wept aloud in her grief. The neighbors looked in with awe depicted upon their faces and kept a kindly silence. When the story had been told, Mr. and Mrs. Kemery drove back to the city and secured the services of McCrea and Arnold, the North Market street undertakers, who were directed to take charge of the remains. The company's ambulance drove to the Eckinger house Thursday morning and brought the bodies to the morgue in East Fourth street where mother and child were embalmed and placed in caskets. Mr. and Mrs. Kemery returned to Findlay on the 5:24 Pennsylvania train Thursday evening. In the baggage coach ahead lay their dead darlings.

WANTED THE LETTER.

Father Called at the News-Democrat Office to Get it Verbatim.

Mr. Kemery called at the News-Demcrat office Thursday morning. His mission was to obtain the original letter his daughter wrote on the night of the tragedy which was published verbatim in the News-Democrat Wednesday. The letter was in possession of a News-Democrat reporter, who upon instruction from Coroner Schuffell placed the missive in Mr. Kemery's also known as the White Chapel, John hands. The father told the story of Eckinger, the dead man's father, is the visit to the Eckinger home and supervisor of Osnaburg township and

The community is just beginning to realize the horror of it all and wide spread sympathy is expressed on all sides for those who remain to suffer for the acts of those who have crossed the dividing line between earth and eternity.

At the church simple services were held after which the flower covered casket was lowered to its lonely resting place. Even in death it was decreed that husband and wife should be separated. Thus the curtain is rung down in one of the most startling tragedies ty known as one of the garden spots of America yet whose fair name is sullied all too often by shuddering crimes in which murder runs riot.

FIGHTER.

Decides That He Will Go After That Alleged Back Salary and Some More.

ENGAGED SOME LAWYERS

To Fight His Case in the Courts When It Comes to a Trial.

Frank R. Fife has begun two suits in common pleas court against the city of Canton. The cases review the old dispute between Fife , who was superintendent of the city water works, and the board of water works trustees. In the first petition plaintiff alleges that he was employed by the board of waterworks trustees of the city of Canton to take charge of a gang of men for the purpose of cleaning refuse matter from the waterworks race. For this work as foreman or superintendent of the gang plaintiff alleges there is due him from the city the sum of \$400, for which he asks judgment.

The other petition alleges that plaintiff was elected superintendent of the waterworks system October 5, 1897, at a salary of \$1,700 per year for a term of two years beginning March 1, 1898, and when he was discharged January 16 1899, there was due him \$93.80. Plaintiff further alleges that when he was lischarged January 16, 1899,he offered his services to the board who refused to hire him and refused to accept his services. As plaintiff contends that his term did not expire till March 1, 1900, he claims damages in the sum of\$1,-912.41, and asks judgment for that amount and for the sum of \$93.80. Attorneys Day, Lynch & Day and Bald-win & Shields filed the petitions.

The water works board contends that no such amount as Fife claims is due him and will probably answer in court in proper time.

Quite a surprise party was held at W. E. Gotschall's on last Saturday evening August 5, it being Mr. Gotschall's 45th birthday. His wife planed a surprise upon her husband by inviting a host of neighbors to their home near Howenstine, on that date. About 55 in number were present to help Mr. Gotschall to devour nine gallons of ice cream and cakes and watermelons until all were filled. Consider the Lilies.

The trying troubles of women result from catarrh.-Mrs. Colonel Hamilton and others recommend Peruna.

> health in women is a rare thing. It is not alone those who toil and spin that suffer from catarrhal troubles; the diseases of women come to rich and poor and catarrh is their cause. The influence of catarrh on the home lives of our women can hardly be appreciated until the real nature of catarrh is understood. Dr. Hartman explains this to women in his book called "Health and Beauty," which the Pe-ru-na Medicine Co., Columbus, O., will mail to any woman on application. Mrs. Arthur L. Hamilton, wife of Colonel Hamilton of the Seventeenth Regiment Ohio National Guard, and whose residence is at 309 West First Ave., Columbus, O.,

writes the following about Pe-ru-na, Dr. Hartman's scientific remedy for catarrh: "I can bear testimony as to the merits of your remedy Pe-ru-na. I have been taking the same for some time, and am enjoying better health now than I have for some years. I attribute the change to Pe-ru-na, and recommend Pe-ru-na to every woman, believing it to be especially beneficial to them.

Mrs. Hamilton's picture is printed here, and her statements about Pe-ru-na and echo in the hearts of women the country through.

"It gives me much pleasure," writes Mrs. J. A. Bashor of Knoxville, Tenn., to recommend to the public such a valuable remedy as Pe-ru-na."

"My health was completely broken down, and had been for almost a year. I sould not rest day or night, but suffered constantly untold misery. Tried remedy after remedy, but found no relief until Pe-ru-na was recommended to me by a friend. I have taken one and a half bottles and am to-day well and hearty. shall always praise Pe-ru-na, for I feel it saved my life."

Miss Belle Gunsalis, No. 208 Seventeenth Ave., Cedar Rapids, Iowa, writes to Dr. Hartman: "Your medicine cured me of chronic catarrh affecting the head, nose and throat, which I was afflicted with for five or six years, growing worse all the time, until I began taking your Pe-ru-na. Independent of curing my catarrh. Pe-ru-na has wonderfully improved my general health."
